**Re: PYRO SAFE supplied by svt BRANDSCHUTZ Germany**

Here by, Societatea Nationala NUCLEARELECTRICA SA, a state-owned company, in charge with the operation of Unit 1 of Cernavoda Nuclear Power Plant - Romania and with the completion of the Unit 2 of the plant, confirms the following:

The Management Team responsible with the construction of Unit 2 of Cernavoda NPP, including specialists from Atomic Energy of Canada Ltd., Ansaldo-Italy and Nuclearelectrica –Romania, purchased and applied at the above-mentioned unit fire resistant material PYRO SAFE, for cable fire stops, supplied by **svt BRANDSCHUTZ Vertriebsgesellschaft mbH International (Germany-Berlin)**. This material complies with our requirements and the tests performed locally proved the excellence of PYRO SAFE.

We mention Cernavoda NPP units have CANDU 6 nuclear power reactors, with a gross capacity of 700MW(e).
